COMPUTER SKILLS:

Graphic Design - I am an experienced user of a wide range of Adobe products (up to and including CS4) such as: Photoshop, Dreamweaver, Flash, Illustrator and familiar with Fireworks.

I have a wide range of graphic design experience including: online flash banners and advertisements, website design, menu icons, designing eye catching logos, advertising posters, business cards and also clothing designs.

Web Design and Development - HTML, CSS, XML, Flash, Swish, PHP, ASP, SQL, JavaScript - As Managing Director of Silvertip Studios, I designed, created and periodically maintained numerous websites for various companies which span into every sector of business. Working with Boylesports has also expanded my knowledge of the betting industry and allowed me to work on many exciting projects, websites and promotions.

CMS / E-Commerce - I have created and maintained numerous websites for online sales and user editing. I am also extremely familiar with software such as Joomla, Mambo, Wordpress, Cubecart, osCommerce and more.

Media - I am familiar with media software such as 3D Studio Max and also Adobe After Effects.

Microsoft Office - I have over 10 years experience with Microsoft Office and I currently use many of its applications in great detail on a daily basis.

Project Management - I would consider myself to be an extremely organised person. I believe this has been the key to my success when managing multiple projects both on a personal and professional level.

MISCELLANEOUS

- Passion for web / graphic design and technology with a keen eye for detail and design
 - I am a full licensed driver.
